*It's been a long time since we last talked...*

I want to start by sharing a Bible verse I have been meditating on during the last few months, and it is Jeremiah 29:13.

Seeking God's presence must always be our first goal!

# ***GOD IS WORKING IN GERMANY IN THE NEW GENERATION...***

I officially arrived in Germany the last week of April and I spent a week in the European gathering of Steiger Europe, where our main goal was to seek god's presence and pray for the youth of Europe. I found this time refreshing and also encouraging.

The first week of May I was already back in the Patchwork Center, Schwerin. A lot has changed in the past 6 months while I was gone, but God has been working here. Let's walk together and do a recap of what God has done during the past few months here in Germany.

## YOUTH GROUP

Since my first time here, Youth ministry has been one of my responsibilities in the Patchwork Center. During the past few weeks we had around 12-15 youths of Dreesch, and some of them are new. We are taking a step of faith and starting a Discipleship course with some of our teens. Also, two of them are being baptized on 2nd July (L&M).

## KID'S BIBLE STUDY

Kid's ministry is one of the areas in which I've also been involved, supporting this group as well as organising the weekly study. We have around 10-13 kids in our weekly study and, personally, I've seen a huge growth in the kids. One of them is getting baptized (F)

## BAPTISM ON JULY 2nd

On July 2nd we are going to have our baptism feast, where 10-11 people will declare their faith publicly. This is our biggest feast since the pandemic.

I have the honor of not just being part of the day but also being one of the people who is baptizing two of them. Pray for A. and L, that they can keep growing in their faith and also encourage others to know more about Jesus.

## SUMMER CAMP (SOLA)

Last year I supported one of the summer camps that we organised with a church from Wismar. This year I am going for just one week, but we are praying for more workers because we are not enough. Pray for more workers for the camp and for the time there, it is a really good opportunity to share the gospel with the youth of Mecklenburg-Vorpommern.

## SUMMER PROGRAM IN PWC

As every summer, we are launching a summer program full of cool activities with the kids and youths of our neighborhood.

Thanks to the generosity of people that support the youth and kids ministry, this year we are going to have two weeks of summer program. Pray that this summer program can be a bonding moment to reach more people for the center, but also for workers to join us during these weeks.

## STEIGER MOVEMENT IN SPAIN

As many of you know, since January I have been working in partnership with the Steiger movement in Madrid. We are seeing God's work in Madrid but also in Valencia during our very first event there. Keep us in your prayers as we are praying and dreaming big for an event the second week of October.

## FAMILIEN FEST & KEPLER OPEN AIR

In May and June, we had our two biggest events where we directly share the Gospel. We had in both events a full house. God is using these activities not only in our community but also with people who are coming for the first time

## PRAYER CORNER

- Pray for my financial support, that God will provide everything that I need.
- For wisdom while planning the activities for the youth and the kids ministry.
- For clear guidance for my next steps with the mission and in my ministry
